

MCPASD ORCHESTRA

ANNUAL CONCERT T-SHIRT

(Desplácese hacia abajo para obtener una traducción al español)

For several years, each and every MCPASD Orchestra student in grades 4-12 has gotten our annual concert t-shirt. The shirt features a unique design and color and is used for most of our orchestra events as concert attire. The designs, just like our logo, are created by MCPASD Orchestra alum Sarah Ripp Donovan (Class of 2006). Last year, the yellow shirt had a great design based on the bow. This year our shirt will be lime green and the design is a secret, revealed when the shirts are delivered later in the fall. Please read the annual concert t-shirt FAQ below!

Q: *Are orchestra students required to purchase a shirt?*

A: No. All orchestra students are strongly encouraged to purchase a shirt, and anyone who does not will have a shirt purchased for them.

Q: *If I do not purchase one, will my students get a shirt?*

A: Yes. Every student in orchestra grades 4-12 will get a shirt whether you purchase it or not. If you do not purchase it, we will use district orchestra funds to purchase your student's shirt.

Q: *How do I purchase my student's shirt?*

A: Go to <https://www.mcporchestra.org/> and click on SHOP. It will ask you for the correct size, if you would like to donate one or more shirts for families in need, and then let you check out.

Q: *I see the SHOP uses PayPal. Do I need an account?*

A: Our website is powered by PayPal but nobody needs a Paypal account to purchase.

Q: *If I prefer to pay by check, can I do that?*

A: Yes. Send a check to your student's teacher, made out to MHS BOPA and with your students full name, school, and shirt size in the memo field.

Q: *How will my student get the shirt?*

A: They will be delivered to students at their schools.

Q: *If I do not purchase a shirt, how do I order it?*

A: Your student's teacher will check in with them at school to get their size.

Q: *Can I order extra shirts for our family?*

A: No. We ask that these shirts be a special concert shirt for orchestra students. Thank you.
